

Bittel's UNO Slim trimline phones are the perfect complement to our UNO Media and UNO Voice phones. Great for use in bathrooms and public areas, UNO Slim provides the durability and dependability you need, in a package that is sure to dress up any location.

Our positive handset latching system means our handsets stay put, so you have less hassle keeping guests happy. The convenient printable faceplate area provides a great location for dialing instructions, branding or other guest-relevant information.

UNO Slim's compact design also makes it a great choice for use on the nightstand, end tables, or anywhere space is a consideration.
