## The Guest Room Phone. Redefined.

Meet the new Bittel UNO Voice. Suddenly, everything else is so...common. Part of the UNO family of cutting-edge telecom solutions, UNO Voice brings together the industry's best performing, most reliable phones and stunning state-of-the-art design. The result? Judge for yourself. You'll find that Bittel UNO Voice is completely unique, and unlike anything else you've ever seen.

## Features

### Magnetic Hook Switch

Our Magnetic hook switch offers greater durability and is highly moisture resistant.

### DuraFace™ Moisture and Spill-Resistant Acrylic Face

Our acrylic overlay effectively seals against moisture and spills to better protect against damage.

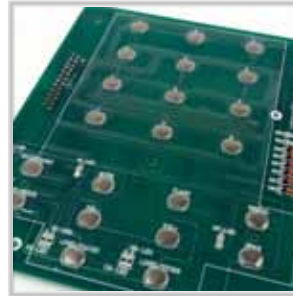

### Hassle-Free Slide in Faceplate

EZ-Fit faceplates insert easily without the need for a plastic overlay. Universal template saves time and money on maintenance and replacements.

### ProGard™ Keyboard

Our unique internal keyboard application provides far greater moisture protect and reliability.
